

Harassment and Discrimination Prevention

Online Education — Web Browser Requirements

This course has audio and requires headphones or speakers in a private setting.

Recommended Browsers

Windows 7-11 Chrome (latest version) or Firefox (latest version and for Flash content)
Mac OS Chrome (latest version) or Safari (latest version and for Flash content)

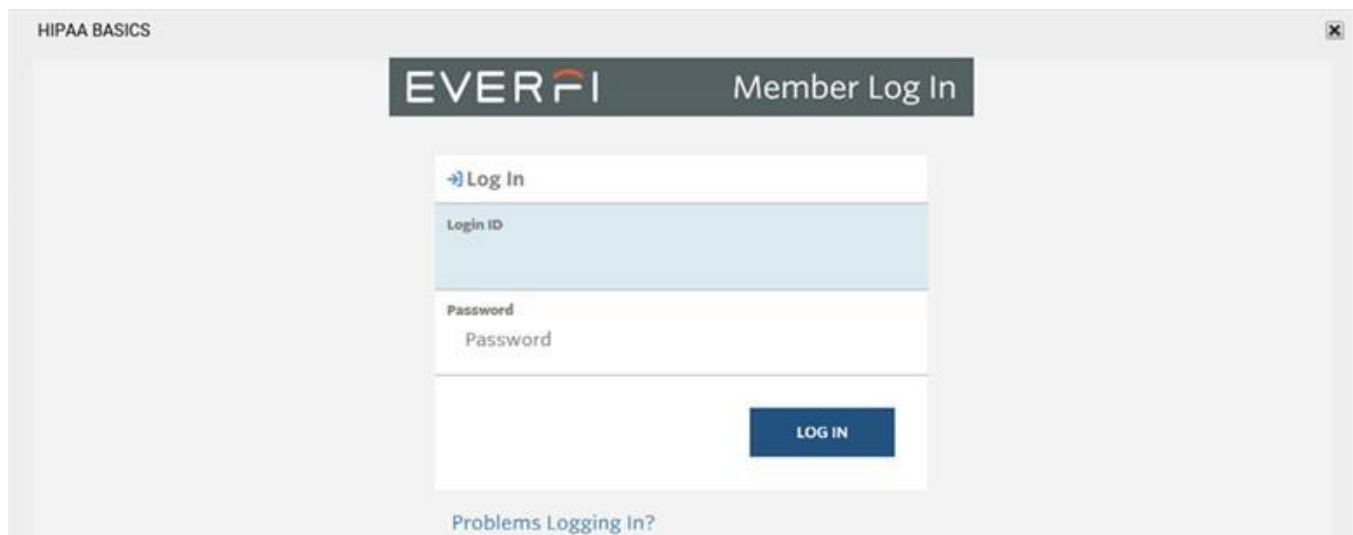

Required Settings

Browser Settings	Required	Not Supported
Third-Party Cookies	Enabled	Disabled
JavaScript	Enabled	Disabled
Pop-Up Blockers	Disabled	Enabled
Security Level Settings	Default settings	Maximum Security
Privacy Settings	Default settings	Maximum Privacy Setting

If unsure of your settings, compare [this profile of your system](#) (at [supportdetails.com](#)) to the above.

Known Issue

Do you see a log in or log out notification after launching the course (like the one below)?

Your browser is likely disabling third-party cookies. [Find the answer at support details dot com.](#)

If your browser is blocking/disabling cookies, there are two possible fixes described below.

Refer to: [How to Manage Cookies in myHR Learn](#) [PDF].

1. Return your browser to default security and privacy settings and enable cookies.
2. If you must disable cookies generally, you may then add exceptions to your browser's list of trusted sites. For courses with the Ever-Fi brand, add [*.]lawroom.com to trusted sites.
